Miraculous Escapes.

W. W. Reed, druggist, of Winchester, Ind., writes: "One of my customers, Mrs. Louisa Pike, Bartonla, Randolph Co., Ind. was a long sufferer with Consumption, and was given up to die by her physicians. She heard of Dr. King's New Discovery for Consumption, and began buying it of me. In six months' time she walked to this city, a distance of six miles, and is now so much improved she has quit using it. She feels she owes her life to it." Free Trial Bottles at Joe LeCompte's Drug Store.

PYÆMIA

Is the most virulent form of blood poisoning. Less speedily fatal, but less curable, than the virulent form of the blood which the first symptoms are Fever, Stiffness, Headache, and General Eruptions. When the blood is contaminated with this poison, the system is weakened, and the patient is liable to die. Ayer's Sarsaparilla, however, cures this disease, and restores the blood to its normal condition.

SCROFULA

Is a foul condition of the blood that rots out all the machinery of life. Nothing will cleanse it from the system and prevent its transmission to offspring but AYER'S SARSAPARILLA. This preparation is the only one that will cleanse the blood of Scrofulous diseases. Impure blood is the cause of all diseases.

ANÆMIA

A wretched condition indicated by Pallid Skin, Flaccid Muscles, Shattered Nerves, and Melancholy. Its first symptoms are Weakness, Languor, Loss of Nervous Force, and Mental Depression. Its course, unchecked, leads inevitably to insanity or death. Women frequently suffer from it. The only medicine that will purify the blood, enriches it with new vitality, and invigorates the whole system, is

Ayer's Sarsaparilla,
